2018 DECERO MALBEC

Finca Decero, once a bare patch of soil in the Argentine foothills of the Andes, is now our one-of-a-kind vineyard, where each vine is nurtured by hand and our winemaking is without compromise. As Decero means 'from scratch', we are fortunate to be free from constraints of tradition, and we have developed an 'amano' or 'by hand' approach that is human, sustainable and sensitive to natural differences. We try to tread lightly in an environment that we have come to know intimately, almost inch by inch. Only in this way can the unique natural attributes of the Remolinos Vineyard, and of Agrelo, shine through in our single vineyard wines, handcrafted from scratch.

2018 VINTAGE

Following a spring frost which diminished the overall crop, the summer was warm and dry leading to an extremely healthy grapes with excellent phenolic ripeness. The wines of this vintage show extremely high quality with a richer concentration than previous vintages yet with good balance between body and structure. 2018 will be remembered as a stellar vintage in Argentina's recent history.

REMOLINOS VINEYARD, AGRELO
